

Completion of pipeline diversion work near Brancote, east of Stafford

October 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. To allow for the construction of the new railway and to continue to ensure a safe and reliable gas supply, Cadent has been moving an underground gas pipeline near Brancote, east of Stafford.

Project update

On 4 October 2023, the Prime Minister announced that the Government proposes to deliver a broad range of transport initiatives in place of investing in Phase Two of HS2. This means that HS2 Ltd is not undertaking any 'new' work to progress plans for Phase 2a of the project and is working with Government to agree the next steps on this phase of the project.

The activity described below is needed either to finish work on an existing site, for the ongoing maintenance of a site, or for health, safety and security reasons.

What are we doing?

Main work to move the pipeline began in January 2023. Cadent has now finished moving the pipeline and has successfully carried out routine testing on the relocated pipeline.

Cadent is now demobilising the site. This involves reinstating the working area to replace topsoil and vegetation removed to carry out the diversion, and removing the temporary works compound off Hanyards Lane.

While Cadent had expected to complete all work at this site by the end of October, bad weather has delayed our activity and this means Cadent now expects to be off the site by early December 2023.

We would like to thank local residents for their continued patience throughout the duration of Cadent's work.

How will this affect you?

We will keep people up to date as other HS2 works in the area progress.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration

- Cadent work now expected to be complete by early December 2023.

What to expect

- Cadent removing the temporary works compound near Brancote, east of Stafford.

What we will do

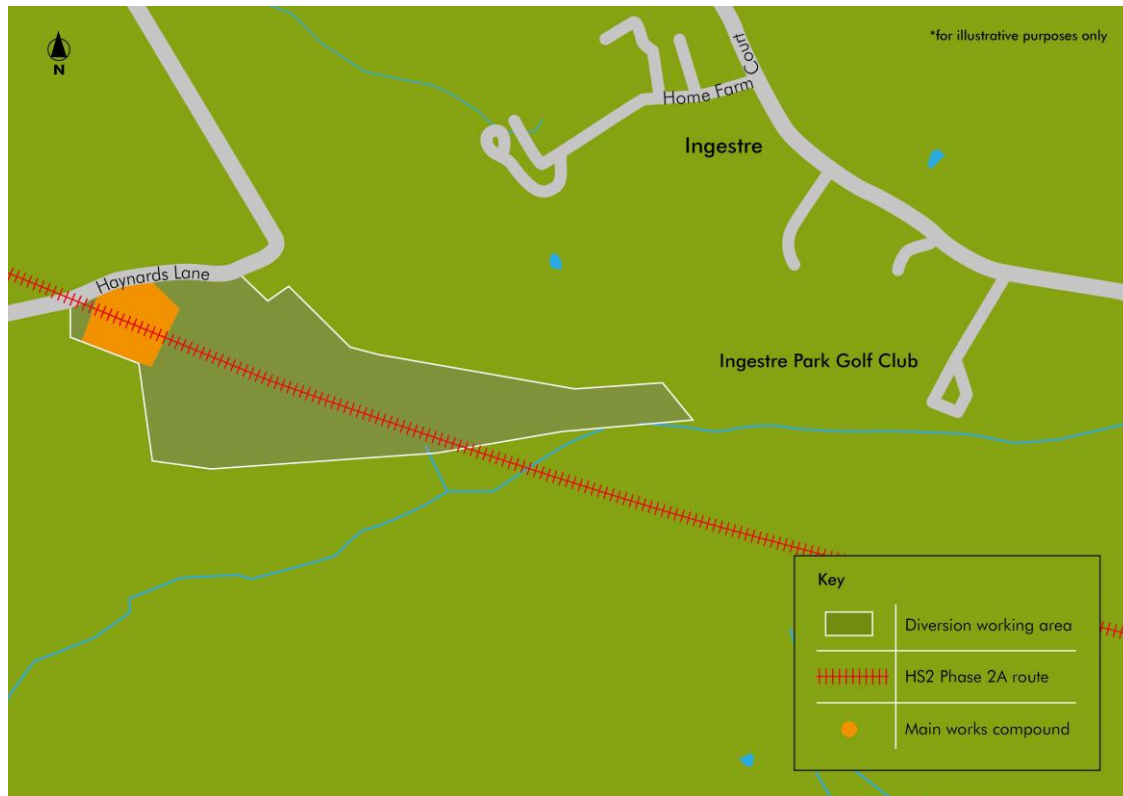

- Maintain a safe and secure working environment.
- Make sure all construction vehicles use agreed routes.
- Inform people in advance of any changes.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain
